

The German Social Accident Insurance Institution for the Raw Materials and Chemical Industry  
(Berufsgenossenschaft Rohstoffe und chemische Industrie - BG RCI) hereby certifies that

Langmatz GmbH  
Am Gschwend 10  
D-82467 Garmisch-Partenkirchen

meets the requirements of systematic and effective occupational safety and  
health on the basis of the

»Systematic Safety« seal of approval

for the industry-specific implementation of

ILO-OSH 2001  
guidelines on occupational safety and health management systems  
(International Labour Organization).

The assessment also proved that the  
ISO 45001:2018  
guidelines are implemented and that an

Occupational Health Management

has been established according to the common quality criteria for an OH-Management of  
the German social accident insurances.

The investigation on 30th August 2019 was carried out in accordance with  
the DGUV procedural principles 311-002 for the assessment of  
„occupational safety and health management systems“.

This certificate will remain valid until 29th August 2022.
